HAWK MAIL

HAWK Magazine
801 Second Avenue
New York, NY 10017
www.hawkmag.com

Dear HAWK,

Please allow me to introduce myself. I am a successful businessman here in Toledo. Despite spending much of my time on the road—and all the temptations that come with the territory—I have been happily married for many years. Many people ask me, "Hey Bob, how is it you are still happily married after all these years?" I have no choice but to tell them the truth: My wife and I are still together thanks to HAWK.

Yes, some people are taken aback. Not my wife. Every time she packs my bags she includes a crisp new copy of HAWK for my travels. (Sometimes this can be several times a month, but still the issue is always fresh and virginal!) For others I have coined a little phrase: Don't knock it till you try it.

Perhaps in the future I will simply show inquisitive folks a copy of your January issue. The delightful covergirl and Babe of the Month centerfold, Trisha, is one of the finest examples of teen temptation I have ever seen. And I know teens—I was one myself for several years. What wife wouldn't understand her husband wanting to suck on those ripe titties or cup that firm, round ass or let his tongue do figure 8's on that incredible, smooth pussy?

As a man of wealth and taste, I would never marry a woman who didn't respect my desire to fuck girls like Trisha. And if I had the opportunity to fuck her, my wife would let me. I know, because I already asked her.

Bob
Toledo, OH

Dear Bob,
You have married a fine lady indeed. We've always believed that admiration of the young female form isn't just for men—women enjoy seeing teen perfection, too. Nice work, Bob. Your inspiring story will certainly touch your fellow HAWK readers.

Dear HAWK,

Please read this letter closely because there is money riding on this. My friends say that girls

who do other girls in your magazine don't really like eating pussy and just do it for the money. I say there's no way that's true, otherwise their pretty little faces would be all scrunched up or they would be holding their noses or something. I just know that I would be able to tell.

For example, are you going to try to tell me that Georgia and Jana (HAWK, January 2008) aren't really into each other? If that's not passion for pussy, I'll eat my jockstrap! Even I can see that these girls are as hot for each other as they are hot. Who, man or woman, wouldn't give everything they own to get their tongue beneath Jana's hood or their mouth on Georgia's fine breasts? I'd relinquish all future wages to slide my middle fingers into their sweet holes simultaneously.

Again, please give us an honest answer to our lesbian argument (even though I already know what it is). Thanks HAWK!

Marty
Glendale, CA

Dear Marty,
While it is true that occasionally girls do get into the business and become muffdivers for money, we don't deal in those kinds of babes in HAWK. We only get the real thing, Marty. In fact, Georgia and Jana were actually lovers at the time those pictures were taken (and may still be), so that passion you see is the absolute real thing.

Dear HAWK,
I may be the rarest of all young girl fans—I'm the guy who digs teens with big tits! I love 'em! I just want to squeeze them and suck them and play with them and squeeze them and suck them and, well, you get the idea. That's why I was so excited when I saw the layout with Suzanna. Wow, look at those whoppers! Tell me, do photographers have to use a special lens to get the whole boobs in? Because those things are so big and natural and ripe and full and big and, well, you get the idea!

Sorry if I seem a little out of it, but I have all of my favorite pictures of Suzanna hanging above my computer, so I'm only typing with one hand. It's amazing how quickly a guy can learn a skill like that!

Phillip
New Haven, CT

Dear Phillip,
There are lots of fellas like you that love young ladies with full breasts. Count us in, too! What's not to love? As for the photographers, we think it's a simple matter of framing the girls.

Dear HAWK,
Your magazine confuses me. My brother says it's a magazine for boys, but I disagree. I'm not going to lie, I often steal his magazine when it comes in the mail. I think I deserve it. After all, I like girls even more than he does and if anyone in this house should get to look at naked girls all the time, it's me!

So anyways, a couple days ago I stole his January issue and I think I found my dreamgirl: Nikita. Not only do we dress the same (I totally own her outfit, from the white top and denim skirt to the leopard-skin panties!), but we have very similar bodies. My boobies are a little bigger than hers, but she's got a real swell set on her.

What really gets me is her big, pink dildo—I think I have the same one as that, too! While I've watched my big pink sink into my wet hole many a time, I really got off seeing it go into Nikita's little fuckhole. Every time I look at it, I imagine that she is using my vibrator and I'm telling her what to do with it. It's so hot—and best of all, my brother will never see her! LOL!

Jenny
South County, RI

Dear Jenny,
There's nothing confusing about the enjoyment we all get when watching a finally legal cutie take a big dildo into her fresh snatch. The only thing we're confused about is why you didn't send us photos of you!

Stephanie

We all know just how much we love it; touching it, cumming on it, licking it and sticking our probing parts in it. Of course I'm talking about ass, big beautiful booty that is, and no girl's got a better backside than Stephanie, our raven-haired horny youngster. She loves bending over; giving all of us a great view of her puffy pink lips and silky slit, and with a firm rump like hers, you know that thing was created purely for the act of humping! So, gentlemen, take a good look at an ass unlike any other, the holy grail of goo is yours for the spanking, enjoy!

Carina

This braided, blonde beauty is Carina, and, for those old enough, she reminds us of Bo Derek in her "10" days—exotic, golden braids flying in the breeze as her perfect body bounces along the beach. Carina, here, is the perfect fuck-doll, wrapping her lips (both the oral and vaginal types) around Clark's cock, pumping and pulling at it till it erupts in a cum-geyser. Hey Carina, when you're done, bring those braids over here . . .

Michelle

As one of the hottest, horniest, and most photographed young girls in the business of cock teasing and dick pleasing, Michelle Maylene needs little introduction. In her craft, the art of cum inducing, the very moist Michelle and her smooth oozing cooch have been scorching the phallically fantastic pages of our magazine for quite some time now. She just can't keep her clothes on when she's outdoors and in this set it looks like she's begging to have her beaver mowed over and it looks like she's in need of a little help. Any takers? That pussy isn't going to lick itself!

HAWK presents...

BITCHIN' BLONDES

NATURALLY, we all appreciate silky, dark-haired damsels, but this month we'd like to pay tribute to those who supposedly have more fun—the blondes! Crowned by a head of honey, these heavenly babes know how to get our attention—simply by walking down the street. Their sun-kissed heads are dazzling, and we can't help but want to kiss them and watch our dicks disappear between their luscious lips. So, without further ado, let's revisit some of HAWK's hottest blondes from the past half-year!

Carmen

Carmen is the Babe Of The Month mainly for one reason, the most important reason: pink, pink, and pinker. This tasty teen drops her drawers as we drop our jaws at her perfectly layered lickable labia! If there were such a thing as a princess of pussy, we'd already be awarding Carmen with a crown of cum! With a set of big nippled knockers to boot, this girl has our probing pink-penetrater stiffer than the pages of her spread once we get done doing our dirty work to the images of this busty beauty who could be the babe of any month! It's good to be young!

Celia

"I had my first orgasm in the shower, which may explain why I take so many of them," explains 18-year-old Celia. "I take two, three, four, maybe more showers a day, and I have twice as many orgasms. I have one of those hand-held massagers, and I love to crank up the warm water and shoot it against my pussy. I'd love to meet the guy who invented that thing! He's probably given more women more orgasms than any single man in the history of the world!" We were just wondering what the hell took our girlfriends so long to get ready!

Jo & Zafira

Jo & Zafira are two tasty treats who may have exotic sounding names, but for them, it's all about erotic games. Their biggest adventures involve their need to explore each other's inner desires! This is nothing new to our dirty duo; they know each and every spot that makes the other one hot and horny. What does that mean for you? It means plenty of dripping wet snatch to whack your little lieutenant to. You can look but you'll have to be content with touching yourselves; something we think you are fully capable of handling! So, don't just stand there, these two won't wait, they are too consumed with poon!

HAWK ON THE SET

Pulse Pictures Presents Teen Treats

Story By Acme Andersson

HALLOWEEN may have come and gone, but that doesn't mean we can't get a few treats out of season. *Teen Treats* is a fat-free snack that is surprisingly flavorful, with five young yummies. While their names may sound familiar—Brenda, Chloe, Kami, Lucy, Lolita—Americans won't know these girls. They are fresh meat from a foreign land.

But even the most xenophobic will drop their objections as soon as these girls drop their clothes. Sex, particularly when shared with teenage girls, is truly the international language. No words are spoken, there are only the sounds and visions of young lust that consume these young ladies just like they consume us. It's a relationship with excellent fringe benefits.

BRENDA

Brenda looks just adorable in her Tweety tank and blue-jean skirt. Without music to sweeten her intro, you know it's just the two of you, and one can hear her nervous breathing and the sound of the fabric as she pulls clothes across her soft skin. The top comes first, revealing small and wonderful and tan breasts. After the rip of a zipper, next goes the skirt, revealing pink booty shorts. She smiles as she slips her hand down and feels her cooch. And then she was naked: Budding breasts, furry snatch, perfect ass—she's our girl.

She may be young, but she's no stranger to cock. As she sucks dick she looks up with big green eyes that smile since her mouth can't. Soon she is facing her man, climbed up on top, her round ass pointed straight at the camera as she rides his cock. He grips her elastic ass as she moves up and down, small tits bouncing in his face.

When she turns around, we see the glory of her furry hole, lips still very much visible as they grip choad. She moans loudly as her breath quickens, proving too much for mortal cock. Brenda knows just what to do: She gets on her knees and prepares for a blast, which soon covers her face. She smiles thankfully, jizz hanging off her chin as she gives a sweet wave goodbye.

CHLOE

Speaking of smiling, Chloe just can't stop showing her pearly whites. Of course, who wouldn't be beaming as they ran their hands across the fresh flesh of this young beauty?

Leading with her fingers, Chloe gives us a full rundown of her attributes: The ice cream scoop boobies, the fleshy snatch (she is more than happy to pull her meaty lips apart to show off her pink and tender inside), and perfect ass. Once she's on the couch she plows her fingers into her fuckhole, dripping with girl-juice when she pulls them out for air. For an encore she gets on her hands and knees and goes through the same routine with her ass.

That's when her man comes in, as her fingers are shoved deep into her

ass, and he sinks his cock deep into her mouth, then gives his own fingers a try. Fingers are cool, but Chloe wants tool and when he slips it in her rear, she finds her rhythm, titties moving with their kind jiggle and his fingers continuing to explore her gash. He does eventually get his cock into her pussy and this seems to give her added mobility, her body quickly moving up and down as her roast beef grasps for his balls.

It's the twat that gets her rocks off, and she cums to a rousing orgasm before taking cock in her mouth for the final countdown. He plops a massive load on her face and tongue and everyone goes home happy.

KAMI

If you think that Kami looks familiar, that's just because she's the prototypical cute teen: Pretty, innocent smile; bright eyes; pigtails; no-fault teen body featuring small boobies, a tight hole, and a little landing pad of muff.

That little beaver is eager—eager for wood to dam her lovehole. Soon as her

a bone!

loverboy enters the scene, she gives him a quick lube then goes hands and knees, pressing her tender tush in the air as he enters her pristine gap.

When she takes her turn on top, she moves and grooves, their flesh slapping as her moans get louder. She gets a vigorous workout, her young front-hole happy to have discovered the joy of sex. A lengthy missionary move brings her to cum, and then she lets him do the same, opening her mouth and letting him blast her pink tongue, a small river of white goop traveling from her mouth, down her chinny-chin-chin and on to her tender flesh.

LUCY

Lucy is a slender brunette with kind, brown eyes. Even in short skirt and half-shirt, she's dressed slightly conservative compared to her scenemates, but that doesn't mean anything. Beneath what she wears are the all-important girly wares, and Lucy has more than enough curves to get a guy off. Two guys even.

Her fingers get first crack at her little boobs and their hard nipples, same

Luscious Lolita satisfies from every position!

for her meaty gash and puckered ass. Then she test-drives yellow and orange vibrators, one in each hole. Soon the vibrators are being worked by unfamiliar hands and two guys reveal themselves, introduced by their calling cards—big, hard dicks.

Suddenly Lucy is a new girl, with enthusiasm visual as well as verbal. She gobbles and jerks their meat, eager to get her trio of holes explored by each stiffy. First the mouth, then the pussy, then the back door. One at a time, two at a time, Lucy proves to be up for anything. The work stretches out her front and back holes, leaving them gaping any time a cock pulls out.

Both cocks are securely inside her when she lets loose her ultimate orgasm, a well-executed DP that leaves little for her to do but hold her legs back and moan like a teenager. For the guys there's just one thing left to do, that little matter of the splooge. She agreeably gets on the floor and takes one blast at a time on her pretty face and cleans each rod with her tongue

LOLITA

Last but certainly not least comes Lolita. She cuts a girleen figure, her young curves looking delightful, hoping to catch up with her unbridled sexuality. Everything is small on our barely legal temptress except her bright and blue eyes, which are the stuff of Japanese anime. Big as they are, they aren't bigger than her appetite for lovin'.

When her guy goes down on her, Lolita watches closely, taking mental notes as she massages her small tits and tiny nipples. She gives him a quick licking before he lies her on her back, spreads her fawnish legs and plows her young hole with his man-rod. Her supple body folds easily, cunt lips wrapping neatly around his rod.

She lets out a small smile as she awkwardly gets on top to reverse-cowgirl him. Her big eyes light up as her cooch becomes a rhythm section making beautiful music. She moans the lyrics to a simple song, "Oh...yeah... oh...yeah...."

It would be a strong, insensitive man who wouldn't pop with Lolita waiting hungrily below him, tongue hanging out of her mouth, huge peepers looking up pleadingly. She gets her load in the end, jizz shining up the soft skin around her mouth. She licks his pecker then cleans off her face and licks her fingers. One last smile and flashing of her baby blues and we...are...done.

Lucky

It seems quite ironic that this hot, dark haired honey's name is Lucky, for it seems that any man who could get close to her soaking wet snatch and her full-blossomed bosom, would be labeled "lucky" for the rest of his life. She might be a natural beauty, but luck doesn't really play any part in keeping her phallically pleasing parts in tip-top shape. "I work hard to keep my fantastic figure," a bare-naked Lucky laughs, "my favorite way of keeping in shape is having ferocious sessions of hard-hitting sex!" That's enough for us to whip out our monkey bar!
